STEP UP®

Mobile TEAMSTEP® The retractable castors ensures it is easy to move around without compromising stability and safety once in use. Being fully rotomoulded the TEAMSTEP® has unrivalled strength, coupled with outstanding stability due to the high strength rubber skirt that guarantees a firm grip on the ground. **STEP UP®** is in huge demand by supermarkets and chain stores, who are fed up with current safety step units that bow and sag on upper deck! **Jumbo TEAMSTEP®** is a rotomoulded safety step that provides all the benefits and manoeuvrability of the Mobile TEAMSTEP® and the large deck size of the Square Step Up Safety Step. The Jumbo TEAMSTEP® is Australia's flagship safety step, combining unparalleled safety, manoeuvrability and stability.

- Superior design attributes and benefits over most existing safety steps available in Australia.
- Anti-slip surface, fitted with non slip rubber skirting
- No rusting or dangerous sharp edges
- Light weight, durable one piece construction
- Stackable, made of Rotomoulded Durable plastic

Model	Size (mm)	Height (mm)	Weight (kg)	Capacity (kg)
TSSU	370 x 370	370	5	180
TSTS	315	395	4.2	180
TSJUMBO	375	355	4.2	180
